LANGUAGE ASSESSMENT – THE FIRST STEP TO LANGUAGE TRAINING

Are you a newcomer to Canada interested in learning or improving your English language Skills?

The first step to language training is to complete a formal language assessment. Funded by Citizenship and Immigration Canada and operated by Centre for Education & Training (TCET), Language Assessment Centres (LACs) administer English language assessments. Assessments are free of charge for adults with Landed Immigrant or Convention Refugee status. Assessments are conducted by certified language assessors using the Canadian Language Benchmarks, the nationally recognized standard which measures speaking, listening, reading and writing skills. Following assessments, individuals are provided with a range of language training options and

classes available in their communities, from which they can choose based on their needs and interests. To book an appointment for a language assessment, please visit or call one of five locations across Peel and Halton: Mississauga (905-949-0049 x1369), Malton (905-677-0007 x1), Brampton South (905-457-4747 x3025), Brampton East (905-595-0722 x4101), Oakville (1-905-875-3851 x5012). Itinerant assessments are also available at various service provider organizations, including those in Burlington, Milton and Georgetown. Hours of operation: Monday to Friday, 8:30 AM – 4:30 PM. Evening and Saturday appointments can be booked in advance at most locations. For more information and maps, please visit us at www.lincopeelhalton.com and www.tcet.com/assessments.

Mathletics 2012 Panorama Inc

Panorama India celebrates with the Youth in Collaboration with Professional engineers of Ontario, for an educational program “Mathletics 2012” as part of the three Mandates: Educate, Celebrate and collaborate.

Panorama India conducted the Mathletics-2012 program for the third year on 30 September for youth studying in grades 7 to 11. Students enjoyed the fun filled quiz program answering questions on electronic clickers. Parents were even more excited to answer the questions. There were separate questions for parents too with special prizes for them. There were

over 100 participants and appr over nearly 200 parents, who friends and well wishers get who enjoyed the day long for t program.
